OTHER REQUIREMENTS: Must pass a physical fitness test or provide proof of passing the National Candidate Physical Abilities Test (CPAT) within the last six months. Meet minimum qualifications for employment as a firefighter in the State of Florida as defined in Florida Statutes Section 633.412.

TO APPLY FOR THIS POSITION, PLEASE FOLLOW THE INSTRUCTIONS LISTED BELOW.

1. Applicants desiring to be considered for this position should apply directly with the Sarasota-Manatee Airport Authority by visiting our website @www.flysrq.com; or, calling 941-359-2770 ext. 4766.

Return your completed SMAA application to the address shown on the signature page of the application form; OR fax it to 941-359-5024; OR email it to application@flysrq.com. Only Sarasota Manatee Airport Authority (SMAA) application forms will be accepted.

2. Minimum qualifications must be met by the closing date in order to be considered eligible for the position. Resumes may be submitted as supplements but cannot be accepted in lieu of an application. Applications and resumes are subject to disclosure under the Florida Sunshine Law.
3. Veterans' Preference documentation, reference names, etc. must be submitted at the time of application. In accordance with the Immigration Reform and Control Act, appropriate identification documents verifying eligibility for employment will be required for the applicant who is hired.
4. The Sarasota Manatee Airport Authority participates in E-Verify. Federal law requires all employers to verify the identity and employment eligibility of all persons hired to work in the United States.
5. Your application will not be considered unless complete answers are provided to all questions on the application.
6. The Airport Authority's Drug-Free Workplace Program requires that applicants take and pass a drug/nicotine test prior to being hired.

**SARASOTA MANATEE AIRPORT AUTHORITY
JOB CLASS SPECIFICATION**

Job Code: 6035
Date Approved: 04/22
Grade: 30

JOB TITLE: Fire Fighter - EMT
REPORTS TO: Fire Captain
DEPARTMENT: Airport Fire Department
FLSA STATUS: Non-Exempt

JOB SUMMARY

Under the direct supervision of the Fire Captain, primarily performs aircraft rescue and firefighting duties, first responder EMT duties, and building fire and rescue response to include general fire protection and fire suppression/prevention functions.

JOB RESPONSIBILITIES

Essential Job Responsibilities:

Drives fire apparatus including aircraft rescue fire fighting vehicles to fire and incident scenes.

Transports equipment and safety personnel safely and quickly to and from a fire and rescue scene assuring adequate water, chemicals, and equipment are supplied.

Operates apparatus at fire scenes. Locates water supply, monitors pressure on hoses and nozzles, makes adjustments for calculated friction loss, and establishes fire stream.

Lays and connects hose lines and operates handheld and stationary nozzles directing water and foam streams. Operates portable fire extinguisher.

Responsible for upkeep and operational testing of assigned vehicle and related equipment.

Maintains basic life support equipment and apparatus. Checks medical supply inventory. Reports any equipment malfunction or missing supplies to the Fire Captain.

Inspects fire apparatus daily to ensure radio, pumps, gauges, engine, oil pressure, brakes and all systems are functioning properly. Checks the vehicle's condition including compartments to assure supplies are stocked and water, chemical, and agent levels are adequate. Cleans all equipment to include detailing. Reports any problems to the Fire Captain.

Performs salvage operation at fire and accident scenes such as cleaning debris, fuel, and chemical spills.

Attends training classes to become familiar with Airport facilities and operations, ARFF operations, runways, roads,

and alternative routes to emergency scenes; learns fire hydrant and water source locations; participates in continuing study, training, and drill activity to achieve further certification, maintains required skills, and attain health and physical strength.

Completes and files reports on fires, accidents, rescue operations, hazardous conditions, training, vehicle work orders, inspections, fire alarms and other relevant reports. Attends training classes and re-certification classes as required by the Department, FAA, TSA, or the State of Florida.

Performs a variety of routine tasks in connection with the maintenance of the station, quarters, and grounds; maintains inventory of supplies and equipment.

Other Job Responsibilities:

Conducts tours of the station and provides information to the public about the Airport Fire Department functions and operations.

Performs other related duties as required.

MATERIALS AND EQUIPMENT USED

All Fire Department Vehicles, All Fire Fighting Equipment, Training Materials, Emergency Medical Equipment for Basic Life Support, Communications Equipment, Computer.

QUALIFICATIONS REQUIRED

Where "preferred" is indicated, the qualification is not essential.

Education and Experience:

High School Diploma or GED.

Experience as an Aircraft Rescue Fire Fighter, **preferred**.

Live Fire Burn experience to comply with FAR Part 139, **preferred**.

Licenses and Certifications:

Valid and current State of Florida Fire Fighter Certification.

Valid and current State of Florida Emergency Medical Technician Certification.

Valid State of Florida Driver's License with satisfactory driving record.

Other Requirements:

Must pass a physical fitness test or provide proof of passing the National Candidate Physical Abilities Test (CPAT) within the last six months.

Meet minimum qualifications for employment as a firefighter in the State of Florida as defined in Florida Statutes Section 633.412.

Knowledge, Skills, and Abilities:

Knowledge of aircraft and vehicle extraction procedures.

Knowledge of aircraft and structure firefighting principles and techniques and the laws of the State of Florida governing aircraft, aircraft operations and airport operations.

Knowledge of airport layout including the location of runways, terminals, buildings, and all facility's fire extinguisher, smoke detectors, standpipes, hydrants, pull alarm zones and floor plans.

Knowledge of departmental standard operating procedures and SMAA operations.

Knowledge of Federal Aviation Regulations.

Knowledge of operations of all fire and rescue apparatus and equipment.

Knowledge of mechanics, hydraulics, and necessary preventive maintenance of all equipment.

Knowledge of and skill in performing emergency treatment and life support procedures.

[Title XXXVIII](#)INSURANCE

[Chapter 633](#)FIRE PREVENTION AND CONTROL

SECTION 412

Firefighters; qualifications for certification.

633.412 Firefighters; qualifications for certification. —A person applying for certification as a firefighter must:

- (1) Be a high school graduate or the equivalent, as the term may be determined by the division, and at least 18 years of age.
- (2) Not have been convicted of a misdemeanor relating to the certification or to perjury or false statements, or a felony or a crime punishable by imprisonment of 1 year or more under the law of the United States or of any state thereof or under the law of any other country, or dishonorably discharged from any of the Armed Forces of the United States. “Convicted” means a finding of guilt or the acceptance of a plea of guilty or nolo contendere, in any federal or state court or a court in any other country, without regard to whether a judgment of conviction has been entered by the court having jurisdiction of the case.
- (3) Submit a set of fingerprints to the division with a current processing fee. The fingerprints will be forwarded to the Department of Law Enforcement for state processing and forwarded by the Department of Law Enforcement to the Federal Bureau of Investigation for national processing.
- (4) Have a good moral character as determined by investigation under procedure established by the division.
- (5) Be in good physical condition as determined by a medical examination given by a physician, surgeon, or physician assistant licensed to practice in the state pursuant to chapter 458; an osteopathic physician, surgeon, or physician assistant licensed to practice in the state pursuant to chapter 459; or an advanced practice registered nurse licensed to practice in the state pursuant to chapter 464. Such examination may include, but need not be limited to, the National Fire Protection Association Standard 1582. A medical examination evidencing good physical condition shall be submitted to the division, on a form as provided by rule, before an individual is eligible for admission into a course under s. [633.408](#).
- (6) Be a nonuser of tobacco or tobacco products for at least 1 year immediately preceding application, as evidenced by the sworn affidavit of the applicant.
