The system works by reading your license plate, but if for some reason it is giving you trouble, you can scan your QR at the reader on the pay station.

Adding the QR Code to Your Digital Wallet:

After successfully entering your information and subscribing, you will see a message informing you that your booking is being processed and that you will receive an email once it is confirmed.

Once your booking is confirmed, you will receive an email with the subject **“Your Subscription Has Been Approved”**

- Open the confirmation email and scroll to the **“Access Possible With”** section.
- Locate your **E-Ticket** and tap **“View E-Ticket”**
- On the next page, tap **“Add”** in the upper right corner.
- Select **“Add to Apple Wallet”** (for iPhone users) or **“Save to Google Wallet”** (for Android Users).

Your QR code will now be saved in your digital wallet for easy access.

Please stop by the **airport badging office** to receive your hang tag. This is to assist with inventory management for our parking company.

Authorized Parking Lots for Flight Crew

Airport shuttle buses run every 10–15 minutes between the parking lots and the terminal for your convenience.

The preferred and primary parking area is the Shade Lot, which is within walking distance of the terminal. When the Shade Lot reaches capacity, parking will open in the following order: Manatee Lot, Dolphin Lot, and finally Tower Lot South.

1. Shade Lot - To access the shaded lot, users will enter Rick Piccolo Circle and turn right before reaching the terminal building.
2. Manatee Lot - Between Rental Car Road and Air cargo Road
3. Dolphin Lot - Intersection of Old Bradenton Road and Rental car road
4. Tower Lot South - 701 Tower Road, Sarasota Florida, off US 41/ Tamiami Road.
