

Insurance Requirements for Driving on the AOA

Please instruct your insurance carrier to forward an original declarations page showing coverage on vehicles (each tenant pilot is allowed a maximum of two vehicles).

Please carry the original car registration and declarations page to your badging appointment or email the same to badging@flysrq.com within 10 days.

The following requirements MUST be met and included on the declaration page, prior to vehicle access being granted:

- Your name
- Vehicle identification (make, model, year)
- Policy number
- Policy expiration date (must be current)
- \$500,000 combined single limit OR
- \$500,000 blanket liability policy, written for ANY CLAIM, including both bodily injury and property damage.

Please have your insurance carrier forward this information to:
